CONSULTORES Y VALUADORES

subsidiaria de Bruce D. Greenberg, Inc.

*Heritage Global Partners* is a leading, full service, global auction and asset advisory firm. Our managing partners, Ross and Kirk Dove\*, bring over a half century of worldwide experience and expertise in virtually every industrial sector and geography. Together they have conducted over 4,000 industrial auctions, spanning 30 countries. As industry pioneers, they have developed asset recovery programs that have been embraced by many of the world's biggest companies as listed by Forbes Magazine: The Global 2000.

Our staff brings a wealth of industrial, technical, and professional experience, having served decades in the business as industry leaders.

Projects of all sizes are conducted with a dedication to insure our clients always achieve the highest possible value for all assets entrusted to us. We accomplish this through the experience and knowledge that can only be developed through lessons learned over time. Every single auction campaign, large and small, is treated as a unique event with its own customized strategy. True value can only be achieved when the world's most informed experts collaborate together to ensure that maximum global exposure is achieved on every asset, every time.

This is accomplished through the largest global network of real experts ever assembled in our industry, which includes specialists ranging in size from boutique industry sector experts to large multinational remarketers, refurbishers, as well as corporate procurement professionals.

*Montaña Verde Consultores y Valuadores*, SRL de CV, acts as the foremost valuation advisor to leading investors, buyers and lenders throughout Latin America. Montaña Verde specializes in conducting valuation, evaluation, and consultation relating to all sorts of real assets and machinery and equipment. Through its affiliations of appraisal experts throughout North and South America, Montaña Verde can provide the experience and skills of its extensive network, identify trends in local markets and access extensive databases of real assets and machinery and equipment.

All assignments performed by Montaña Verde conform to the Uniform Standards of Professional Appraisal Practice, International Valuation Standards, Appraisal Institute, Royal Institution of Chartered Surveyors, and American Society of Appraisers guidelines.
